Sir:

In the international application PCT/US2003/033747, it appears that the first name of the inventor is listed as "Marczyk" and the last name is listed as "Jacek"; this is typo. In the international application the first and last name are reversed.

The actual inventor/applicant's first name is Jacek, his last name is Marczyk; this corrected first and last name is reflected in the attached declaration. Please use this correct first and last name.

There was no deceptive intent behind the typo in the international application.

Very truly yours,

Gary Pisner., Esq.
